MEMORANDUM

To: Senator John Carey
From: Senator Jeff Jacobson
Date: March 31, 2008
RE: Capital Bill Request

I would like to request that \$1 million be appropriated to Dayton History to assist with the completion of the Heritage Center of Dayton Manufacturing & Entrepreneurship project.

BACKGROUND:

During the 126th General Assembly, I requested \$3 million to assist in the creation of Dayton History's Heritage Center of Dayton Manufacturing & Entrepreneurship. At that time, President Harris committed to provide a total of \$2 million to the project (\$1 million in the last capital bill and another \$1 million in this bill). House Bill 699 appropriated \$1.3 million to the project (CAP-922) with \$1 million of the sum coming from the Senate and the additional \$300,000 provided by Speaker Husted.
